- Frontend: React.js, Redux Toolkit, React Router, Hooks, Vite
- Styling: Tailwind CSS, Bootstrap, Material Icons, Ant Design
- Backend: Node.js, Express.js, REST APIs, CORS.
- Database: MongoDB, Mongoose
- Tools: Git, GitHub, VS Code, npm, Vercel, Render

Professional Experience

React JS Developer | Pickup Biz Solutions | June 2026 - June 2026

- Developed responsive React.js applications using HTML5, CSS3, JavaScript, Bootstrap and Tailwind CSS.
- Built reusable UI components and integrated REST APIs.
- Managed application state with Redux Toolkit.
- Worked with backend APIs built using Node.js and Express.js.
- Used Git/GitHub and Agile development practices.

Projects

ARS Naaz UI – Business Website

Tech Stack: React.js • JavaScript • Vite • Tailwind CSS • React Router • HTML5 • CSS3 • Git • GitHub • Vercel

Responsibilities:

Developed a modern and responsive business website using React.js and Vite.

Built reusable UI components following a component-based architecture.

Implemented client-side routing using React Router for seamless navigation.

Designed responsive layouts optimized for desktop, tablet, and mobile devices.

Enhanced user experience with smooth animations and optimized performance.

Deployed and maintained the application on Vercel using Git and GitHub.

ICE Robotics – STEM & AI Education Platform

Tech Stack: React.js • JavaScript • Bootstrap • HTML5 • CSS3 • REST API • Git • GitHub • Vercel

Responsibilities:

Developed responsive landing pages using React.js and Bootstrap.

Built reusable React components for scalable and maintainable development.

Implemented interactive features including image sliders and animated counters.

Integrated REST APIs and contact forms with client-side validation.

Optimized website performance and improved user experience across devices.

Deployed and maintained the application using Vercel, Git, and GitHub.

Portfolio Website

Tech Stack: HTML, CSS, JavaScript

Responsive portfolio showcasing projects and skills.

Education

Bachelor of Computer Applications (BCA) Nanded (SRTM University) | 2024

Strengths

- Problem Solving
- Communication
- Teamwork
- Quick Learner
- Clean Code
- Continuous Learning
